The proposition is a business one. The jobbers and manufacturers cannot fall to see the good work that the T. P. A.'s of America have done in the past, and should aid in its support by joining the Association, and at the same time lending a helping hand to the building up of this grand organization.

It is a well assured fact that a full delegation from the Old North State will be in attendance upon the National Convention at Indianapolis, June 9th to 14th, inclusive.

Now, wishing for Post A. of Richmond, a grand success in her big undertaking of editing The Times-Dispatch, and trusting that these few lines will find space in the big edition. I am.
